There are ways for you and your business to be a part of the solution for your community. Consider highly visible, community-centric tactics to demonstrate your commitment. Stay engaged by giving out free hand sanitizer and providing different service or delivery options for those impacted.

Protect Your Employees and Your Customers

BBB is driven to help our Accredited Businesses manage the current situation in an informed and responsible manner. Encourage your employees to adhere to health guidelines to help control the spread of the disease. Communicate the defensive steps you are taking to safeguard the health of employees, customers, and the community.

Build Confidence with employees

Take action! Involve your employees by strongly encouraging them to take defensive steps to safeguard their health. Stay informed through reliable and knowledgeable sources. Guide employees by keeping them up to date to prevent unnecessary panic or stress. Keep your workforce informed to show leadership and calm fears.
